DETAILED INFORMATION

Introduction

The stylish Sunseeker Predator 56 combines stunning performance with supreme comfort. In the spacious salon, sumptuous seating curves around a dining table that can seat eight people. The choice of light-colored woods and other fine materials, matched by the highest quality of finish, achieves a distinctive elegance. The Predator 56 offers spacious accommodation for four, with an en suite forward stateroom and a large en suite aft stateroom. On deck, her large open cockpit has comfortable horseshoe seating for eight around a folding dining table. The aft seat can easily be extended to form a comfortable sunlounger. The cockpit is fully equipped with a wet bar with its own cool box and ice maker as well as a sink with hot and cold water. The large hydraulic bathing platform provides plenty of room for a tender.
