Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass Sandwich

Hull Configuration: Deep Vee

Hull Color: Navy

Engine Information

Manufacturer: Mercruiser

Model: Magnum

Engine Type: Inboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Accommodations & Layout

"Brew Crew" offers a yacht style express layout with a large cockpit featuring plenty of seating - including helm and companion seating which swivels to face the cockpit area, a wet bar with electric grill, sink and drink fridge, and a molded hardtop with led lighting and enclosure around stainless steel window frames. The side decks are wider than normally found on express yachts in this category - allowing for easy passage forward to a centered sunpad with recliners and foredeck speakers.

Below to port, a sliding door allows access to the main cabin down down a teak/holly staircase with 4 pad style steps . An ample galley is to port with a corian style countertop. To starboard is a long ultra-leather off-white sofa (convertible to bed) and built in cherrywood table. The interior paneling is satin-finished Chestnut wood with nifty louvered accents forward, with maple hardwood flooring.

A centered forward queen berth has full view of the salon with an lcd tv mounted aft on the wall next to the sofa. Privacy curtains separate this stateroom from the rest of the cabin when desired. Aft of the salon is another comfortable lounging area (complete with its own tv and video inputs) which convert to a bed. Note plenty of storage for long getaways!

Aft of the galley to port (next to the stairway) is a convenient bath with a separate shower stall.

Galley

Dometic fridge with small freezer (behind galley door)

Drink fridge (drawer style concealed in galley)

Stainless steel sink

2-burner electric cooktop

LG microwave oven

Cockpit drink fridge (ac/dc)

Cockpit electric grill
