## Overview

---

**SIXTEEN TONS** combines relaxed sailing with exclusive comfort. She was built for her current owner, who required a solid well built cruising yacht with excellent technical and visual standards. Superior technology and sophisticated design was the target for the designer, who also fulfilled the requirements for short-handed sailing. Easy handling and sailing operations are provided for with full Leisure Furl systems.

The clear and clean deck layout and a cockpit, that seats six to eight people comfortably, allows owner and guests to move around without hindrances on deck.

Her interior furnishing has been chosen with love to detail and timeless elegance.

In short **SIXTEEN TONS** is a real home at sea offering plenty of light, generous space and a safe and enjoyable platform for family sailing.

**SIXTEEN TONS** has been continuously and professionally maintained, upgraded and serviced.

She is immediately available for her next owner to enjoy.
