SPECIFICATIONS

Overview

This Viking 60' Cockpit Motor Yacht is a well-designed boat with many amenities. She features a 3 stateroom / 3 head layout with a full beam master suite and VIP guest staterooms. She also includes a spacious main salon with open galley/dinette, a large enclosed, air conditioned aft deck, soft enclosure with air conditioned flybridge, walk around side decks, line handling deck aft, cockpit with swim platform, and a sizable engine room. In addition to all the comforts and the larger optimal twin, diesel MAN 1050hp engines, FREEDOM is a great cruiser, live aboard vessel in top condition and ready for offers!

DETAILED INFORMATION

Accommodations & Layout

The VIP Guest Stateroom is located forward and features a walk around queen bed and private head with stall shower. Aft to starboard is the second guest head, which also serves as the day head, followed by the second guest stateroom with upper and lower berths. Aft of the VIP, to port, and across from the second guest stateroom, are the separate washer and dryer. Aft and up three steps to the main salon with galley and dinette. The U-shaped galley is forward, to port, and the dinette is across from the galley, to starboard. The salon features an L-shaped sofa with table at the aft port corner, clear plastic carpet covers, Silhouette blinds with lambrequins, indirect lighting and an Icom ICM59 VHF radio. The main AC and DC breaker panels are located at the aft starboard corner of the salon. Aft and down from the main salon is the entry to the spacious, full beam engine room, followed by the full beam Master Stateroom with private head with stall shower, lighted vanity, night stands, lamps, HD Direct TV, stereo, satellite phone, A/C controls, two hanging lockers and numerous drawers and lockers for storage. Clear plastic covers in salon. Aft and up from the main salon is the enclosed and air conditioned aft deck area, with LSettee (new) aft to port, carpeting (new), entertainment center forward, table with chairs to starboard and chest freezer. From the aft deck, go forward and up to the enclosed and air conditioned flybridge and aft and down to the line handling deck and cockpit area. Aft deck wing doors open to the walk around side decks, leading to the foredeck and tender stowage.
