Remarks

Seamaster is truly a rare find in todays market. She was purchased by her current owner in 2011 and since has enjoyed relatively light use, being used solely as a family get away. Always captain maintained and kept in pristine condition inside and out, she is absolutely turn key and ready to go. Powered by Cat C-30 engines, twin gens, chipper, watermaker, mezzanine seating and a stunning teak interior are just a fraction of what Seamaster has to offer.
