SPECIFICATIONS

Overview

This 2001 36 Contender has many upgrades which makes it a true fishing beast. Re-powered in 2012 with tripple 300hp Suzuki, it will be a quick run offshore in no time. Her open deck layout gives you plenty of room for reeling in those trophy catches. If you're in the market for a center console to fish or for tournament fishing, this is it.

Hours on the engines are mainly from trolling.
