## Vessel Walkthrough

---

As you board the 62, you will be impressed by the large open layout and sexy sleek lines. The Lounge/Helm area features dual settees with custom deep cushions, double helm chairs with adjoining chaise, pop-up flat screen TV and private access to the VIP stateroom. The beautiful wood floors are accented by fantastic sight lines through large windows, including a solid single glass front windshield and carbon fiber sunroof. Below deck and forward, there is a Dinette Area across from the Galley featuring a large settee, a table and stools for dining. Features include a flat screen TV, portholes allowing plenty of natural light and beautiful wood floors. The functional Galley has gloss cherry cabinets and tops which keep everything concealed while not in use. The three (3) staterooms are all privately accessed. The VIP Stateroom is aft with entrance from the lounge area and the Guest Stateroom is forward of the dinette area. The full beam Master Stateroom is mid-ship and offers large windows to the sea. All cabins are very comfortable with entertainment systems, large portholes, spacious lockers, drawer storage and private ensuite heads. There is also a Captain's Cabin accessible from the port side aft deck.
