Stabilized 2005 49' DeFever CPMY

Motivator is a 2005 49' DeFever CPMY (Also known as the 44 + 5 model) and she is turn-key. The DeFever 44 + 5 model combines the popular sundeck layout, aft full-beam master stateroom with a large flybridge and cockpit, so there are rarely many of these on the market at any particular time due to their popularity. Motivator stands out because of her condition and numerous upgrades, like her electronics, audio/visual equipment, watermaker, two generators, Naiad stabilizers and dual anchor arrangement. Her sellers have completed their multi-year Caribbean cruise and moved ashore, so Motivator is now available for sale. She is rigged for extended offshore cruising, but she is just as suited for cruising the Great Loop.
