Removable Aft Bench Seat

Looking for big-boat features with the operating economies of a smaller boat? Look no further than Pro-Line's 2610 Walkaround. A 65-square foot cockpit is backed by a large transom bait station, freshwater sink, livewell and transom door. Cook up a family feast in the bright, well-appointed cabin featuring a full galley, stand-up head and more. With big fishboxes, built-in tackle drawers, rod racks and plenty of storage, you'll think you're on a 32 foot boat.

DETAILED INFORMATION

Accommodations

The 2610 Proline Walkaround Cuddy offers nice accommodations including a V-berth forward with filler to make a full double berth; galley sink with Corian covering board; ref/freezer; Alcohol/electric 1 burner stove top; pressure water system; storage above counter top; opening stainless steel ports both port and starboard; overhead hatch to bow. HEAD The head offers a stand up shower stall; sink; storage under counter top; electric head with holding tank and overboard discharge.

HELM

The helm offers raised seating with adjustable captain and companion chairs port and starboard both with armrests and removable cushions; in dash fiberglass molded enclosed electronics box with adjustable face; entry/exit sliding door to cabin, port side; storage under captain and companion seats; full wrap around windows; overhead fiberglass box for additional electronics or storage; overhead dome light; factory fiberglass hardtop with spread lights and rocket launchers; full engine controls with gauges.

COCKPIT AND OTHER FEATURES

The 2610 fishing features include two in-deck fish boxes, a transom bait station with lighted live well, built-in rod storage port and starboard in cockpit; tackle box, raw-water wash down, removable aft bench seat, hared top with rocket launcher, overhead electronics box, rod holders, deck lights, walk-around side decks to bow with full length stainless steel bow rails; bow pulpit with anchor and line; grab rail on transom wall from platform; cockpit coaming; rod holders; transom door; navigation lights; anchor lights.

Pro-Line History

What started out as a small company building fishing boats for local guides in 1968 has grown to become one of the largest fiberglass fishing boat companies in the world - a fact that we are both honored and in awe of.

It hasn't been easy, but through dedication, passion, and an undeterred pursuit of delivering the best quality boat for the best value, we have continued to provide families, professional anglers, guides, and many others with the boats of their dreams. Here at Pro-Line we made a decision a long time ago; to listen to our customers and from their feedback deliver the best designed fishing boat for their hard earned money. And given our customer satisfaction ratings, and the high re-sale values of the pre-owned Pro-Line's in the marketplace, we feel we continue to meet that ongoing mission. For those of you that are previous customers and are coming back to purchase another Pro-Line we thank you. And for those of you that are thinking about buying your first Pro-

Line we invite you to peruse our web site and see what our current owners have to say about their boats. And we're hopeful that one day soon we can welcome you into the ever-growing family of satisfied Pro-Line owners!

Exclusions

Owner's personal belongings.
