14. COMMENTS

NAUTA was the last and largest of a series of yachts built for the same owner who had only owned Bagliettos. She was built in La Spezia in 2001 and was given extensive upgrades and refits by her present owner in 2007 and onwards.

She is the epitome of a well-crafted and perfectly maintained fast comfortable cruiser with two outside dining areas and a formal dining saloon forward on her main deck with 270 degree views. There is an extensive BBQ area on the upper deck also. Her main saloon has a comfortable seating arrangement of sofas and armchairs. Accommodation is for 10 guests in two double full width cabins and three twins all with en-suite facilities.

This yacht is in immaculate condition and with TVA /Vat already paid represents an excellent buying opportunity.

Exclusions

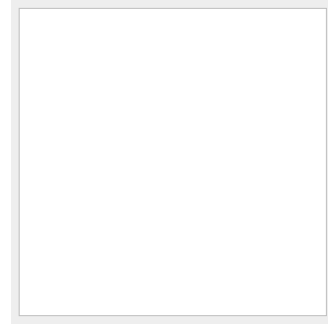

Owner's personal belongings.
