SPECIFICATIONS

Overview

A number of features make this model unique, such as its futuristic driving seat, an example of design and ergonomics which transforms from 1 seat into 3 in just a few seconds by means of a hydraulic system. Like Aquariva, Rivarama is the only standard yacht with an electronically controlled two-speed gearbox, giving quick acceleration, like a real sports car, and a faster cruising speed with higher fuel efficiency." This Riva Rivarama comes with an hydraulic sun awning and a teack foredeck.
