SPECIFICATIONS

Overview

Fresh and innovative, the 960 retains all of the qualities that have made Ferretti successful, including top-notch engineering, excellent build quality, and admirable performance. And just as the engineers and designers intended, it has the look, feel, and amenities of a much larger boat.

DETAILED INFORMATION

Accommodations

A wonderful opportunity to own a late model yacht which has been upgraded by the factory and previous owner. With accommodations for 10 guests in 5 staterooms, she features an ondeck master with separate crew quarters for 5. She exceeds expectations with her straight edge exterior and contemporary interior with large open glass windows, giving a feel of a much larger yacht yet this yacht is very manageable as an owner/operator or crewed vessel. This 960 was out fitted with the upgraded engine option MTU 12V 2000 M94, giving a top speed of 30 knots. The exterior deck space for lounging is fantastic with the fly bridge unobstructed with tender storage, allowing for excellent room to entertain, lounge or relax in the hot tub. This is achieved by having the tender in its own garage with the unique Ferretti submersible drive in and out tender storage system it is truly one of a kind on a yacht of this size. As mentioned previously her main deck is open and expansive from the large aft deck allowing for alfresco dining and sunbathing on the foredeck bunny pad. As you enter the main saloon you are surrounded by the exterior setting of the yacht and clean contemporary furnishings. Galley is separate to port with access to crew quarters. Owner's suite is on the main deck with ensuite facilities. Guest quarters for 8 are below deck with optional berth configuration, all feature ensuite facilities. Crew quarters are accessed through the galley and down with separate Captain quarters and two staterooms with a two berths each, totaling 5 crew berths. Featuring a large list of upgrades and custom features that a new yacht owner would expect upgrades such as fin stabilization and at rest stabilization via ARG Gyro system, two water makers, Apple TV, Williams 445 Jet Tender, upgraded galley equipment, LED lighting with multicolor change, underwater lighting, larger LCD/ LED TVs throughout the yacht and the list goes on to custom and upgraded storage within the vessel. She is turnkey NEW model yacht with all the systems broken in. Beautiful, fast and well equipped, all while meeting the expectations of a demanding owner.

Lower Deck

Four guest cabins with ensuite heads and showers. One of the forward guest cabins features twin sliding beds, making for versatile berthing arrangements. Each state room has large windows allowing for scenic views of the yacht's surroundings, ample closet and drawer storage. Each stateroom features light contemporary oak joinery and warm soft goods. Upgraded Samsung 32" LCD/LED TVs with iPod docking stations. Crew: Access for the crew quarters are on the main deck through the galley and down. Captain's stateroom is separate and to starboard with single berth and hanging closet, forward are two heads and showers, in the forepeak are the two remaining crew quarters with over/under berths, totaling 5 berths in 3 staterooms. Within the crew area is the laundry with upgraded Miele washer/ dryer.

Main Deck

Aft deck features teak sole with Ushaped settee and optional ottomans, separate expandable teak dining table with seating for 10. Forward through large stainless and glass doors is the Main Saloon large windows, factory upgraded, wood sole with dark and light oak joinery, port side features large contemporary Ushaped sofa and coffee table with accent rug. To starboard there is a bar in the aft corner made of dark oak, forward of the bar is light oak cabinetry featuring an upgraded 55" LCD/LED TV on a remote lift, also an upgraded 35 bottle wine cellar and icemaker was added. Custom upgrade lighting throughout the saloon. Dining is forward of the saloon with a large expandable dining table with seating for 10, a large upgraded stainless door opens on the port side with a cut out within the bulwarks allowing for unobstructed views of the yacht's surroundings. All windows have curtains and/or roman styled shades allowing privacy should an owner desire. Moving forward and centerline is a day head with upgraded wood sole, furthest forward is the owners suite with centerline king bed, large 42' Samsung LCD/LED TV with Apple TV option, there are two large windows on either side of the stateroom allowing an abundant amount of natural light, ample storage with upgraded custom walk in closet and drawer storage, LED lighting, reading lamps, light oak joinery surrounded by dark oak highlights, vanity with arm chair, warm soft goods make this stateroom very comfortable with privacy from guests. Forward and down is the owner's head and shower with upgraded marble, tile and glass shower head and also a bidet. The main deck of this vessel meets all the expectations of an owner and has a large yacht feel.

Galley

The enlarged, custom designed galley is accessed on the port side forward of the dining, with an optional custom fold out table and dinette. All galley appliances have been upgraded to Miele with separate Miele oven and separate built in 24" microwave, larger 5 burner range, upgraded 36" GE side by side refrigerator, pantry has been custom designed with drawer storage. Note - Miele Plate Warmer - Miele Dish Washer - Braun Trash Compactor - Closed Circuit TV - Satellite TV - Fusion - DVD, Stereo.

Bridge Deck

Pilot house has many upgraded features including a small settee and table to starboard, upgraded larger 19" navigation monitors, 15" CCTV monitor, Furuno navigation, optional FLIR night vision, bow and stern thruster, AIS, upgraded searchlight with remote, upgraded navigation equipment and weather station. Access to the Fly bridge is centerline and up.

Flybridge

Features optional teak sole, a helm to port and guest seating to starboard facing forward, large wet bar is on the starboard side with ice maker and refrigeration, double BBQ, a removable 32" LCD/LED TV. Port side features a large Ushaped seating and two cocktail tables, just aft is the optional hot tub with integrated steps to and from, the owner chose to move the hot tub outboard somewhat allowing for more deck space, aft is deck space for sun lounges. There is an option for a davit system on this deck where one can be placed, as the yacht was constructed for it.
