SPECIFICATIONS

Overview

The latest Bill Dixon design to be offered by Hudson Yacht and Marine. Based on the same hull as the acclaimed Hudson 48 Power Cat, this "trawler version" offers the same fast and efficient performance along with a long range voyaging arrangement. A bright and spacious interior featuring a full beam master suite aft, plus two guest cabins, a generous center cockpit and expansive flybridge combine to create several spacious areas for you and your guests to enjoy and take in the scenery while cruising or relaxing in that special anchorage. A four cabin arrangement is also available.

"Current Price" quoted is the base price. A typical compliment of cruising options including flybridge hardtop with enclosure, dual thrusters, extra fuel capacity, deluxe electronics suite and much more will total at approximately \$1.1 million. Shipping and delivery to your location to be quoted separately.

Meet Dan Sammis and have a look at the Hudson 47T scale model at Trawler Fest, Anacortes this May 19-21

Basic Information

Category: Trawler

Model Year: 2017

Year Built: 2017

Country: China

Dimensions

LOA: 47' 0" (14.33m)

LWL: 45' 0" (13.72m)

Beam: 22' 6" (6.86m)

Min Draft: 3' 10" (1.17m)

MFG Length: 47' 6" (14.48m)

Speed, Capacities and Weight

Max Speed: 20 Kts. (23 MPH)

Displacement: 44000 Pounds

Water Capacity: 185 Gallons

Fuel Capacity: 476 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Yanmar

Model: 6BY3

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Standard Feature Highlights

- Hydraulic steering system
- Shore power system
- 24V DC/220V AC electrical system
- Victron float battery charger/Inverter
- 220v/220v Fischer Panda 10000i (8KW) diesel generator
- Lower interior helm station with full instrumentation and twin helm seat
- Flybridge helm station with simple instrumentation and with docking and anchoring control and single helm seat
- Saloon windscreen wipers with wash
