Brokers Remarks

The SAFE Boats are constructed to the highest standards for all government applications. This 33 Full Cabin model is a rare offering with low engine hours; lightly used since new as a personal watercraft. Ideal supply, transport and security vessel for large Expedition Yachts , “Shadow” yacht support vessels as well countless maritime commercial and private applications. The vessel is located in Hawaii and the owner will cooperate to ship it anywhere in the world. The “Full Cabin” model is rated to transport 12 seated adults with a total capacity of 26 passengers. In 2015 the owner flew a crew from the SAFE Factory near Seattle to Hawaii for a factory refit of the vessel. The original white tube “collar” was replaced with a new black collar and all systems and motors were inspected and serviced as needed.
