### EVERYTHING INCLUDED! DON'T MISS OUT!

- **ALL FISHING TACKLE!**
- **ALL PERSONAL ITEMS!**
- **DOCK BOX & CLEANING SUPPLIES AND ALL SAFETY EQUIPMENT!**

This is a loaded 2007 that looks like new! She is professionally maintained by a captain and is a "10" with every option you could imagine. Satellite TV & phone, full EZ2CY enclosure with bridge A/C, full size Rupp single spreader for the serious fisherman, and a refrigerated transom fish box. This is the perfect fishing boat whether fishing the canyons or cruising to the Bahamas with your family.

The interior of the Grady White Express 360 is at an entirely new level. The space that results from not requiring an inboard engine room allows a cabin size that compares to the interior of a much larger sportfishing yacht. The 360 cabin offers every amenity to make the family comfortable, and the entire boat certainly entertains guests graciously in a very handsome setting. The cabin centerpiece is an attractive dinette area including a height adjustable teak table with booth-style seating for four. The king size forward vee berth is not only well appointed with lights and shelving, but closes off with a privacy curtain. The bulkhead between the forward vee berth and the main cabin area is accented with a teak divider and lighted glass etched art of a blue marlin. There is ample storage in the teak tambour enclosed cabinetry both above the dinette and over the galley. The entire cabin, from the vee berth captain's quarters to the 56" x 84" aft berth (also with privacy curtain), is cooled with a 16,000 BTU air conditioning unit with zone cooling. There is also variable lighting throughout the cabin. The entertainment area features a 15-inch flat screen TV with DVD player and satellite TV, plus a stereo/CD system and Sirius satellite radio capability. The Express 360 galley includes an electric glass top stove with two burners, an Isotherm refrigerator and freezer drawer with ice maker and a deep, divided stainless steel sink. There is also a Tappan microwave/convection oven. Countertops are surfaced with durable Corian.

---
