SPECIFICATIONS

Overview

M/Y NATORI has a clever and innovative design that has optimized exterior deck space providing guests with as much deck space as on most 50M Motor Yachts. Her interior layout and space and abundant daylight also comparable to most 50M yachts.

NATORI's versatile range of cruising speed as a true semi displacement yacht also gives her great appeal and flexible usage. She cruises just as comfortably from 10 knots all the way up to 19/20 knots! Her stabilizers give her great stability at slower speeds and at anchor.

Her aggressive Paszkowski lines coupled with the Baglietto brand name ensure that she has good pedigree.

This is a proven yacht that is presented for sale by her first Owner for the first time.

Basic Information

Category: Motor Yacht
