VESSEL IS KEPT UNDERCOVER VOLVO AND IPS WARRANTIES UNTIL 2018

Vessel put into service January 2015 Providing ample accommodation for a party of day-trippers, this sports cruiser sleeps up to 7 with ease. Below, twin portholes and a deck hatch saturate the forward cabin with natural light. The guest cabin defies the norm with generous headspace above its twin berths. Seemingly impossible on a boat this size, upon request the sofa can be upgraded to a sofa bed that converts to a third berth. The designers have successfully blended one living space into the next, lending a feeling of expansiveness to each area. To compliment this spacious design, we chose softer, brighter materials accented with detailed piping and hand stitching to create an elegantly social environment.
