Overview

BROKER'S COMMENTS

Very hard to come by Oyster 49-29 Pilot House design by Holman and Pye and a Sovereign Edition as well. This yacht features a raised salon with large Oyster deck salon windows and a true inside piloting station that allows the yacht to be operated from the Nav/Helm station in the main salon with an independent steering system and wheel.

A wonderful three cabin layout below featuring a true VIP cabin forward with large berth, settee and plenty of locker space reminiscent of a much larger Oyster. Just aft and to port is a generous one over one cabin. Across to starboard is the forward Head with en-suite shower.

The raised salon features a roomy curved settee to port with half round table that pivots and doubles in size for entertaining a larger group. Across to port is a smaller settee forward with the Nav/Pilot station aft and to Starboard of the companionway.

The galley is aft to port and two steps below the salon. It provides access to the aft owner's cabin with its own private head and very large en-suite shower.

A fully enclosed center cockpit makes for comfortable passage making offshore. This yacht is fully equipped for blue water cruising including genset, AC, separate diesel heating system (not currently functioning), davits, in mast roller furling, etc.

A recent electrical upgrade allows for a separate 110v leg and outlets throughout the yacht. Recent brand new teak and holly sole and Ultra-suede fabric on all of the interior cushions/berths as well as new curtains below make for a modern and classic feel.

A well cared for and well loved family cruising yacht that has been back and forth between New England and the Caribbean since 2009.
