Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

Accommodations

The 430SE Outboard Express, "Zero Waste," was built to Sea Vee's highest standards. The outboard express layout provides a massive amount of storage, great fishing accommodations, and a generously large cabin.

Vessel Walkthrough

From the dock, the "Zero Waste" stands tall. The noticeable 22 degree deadrise exposes itself as a sportfish. The cockpit features a beautiful, bright white rocket launcher, livewell, fish box, tackle center, and plenty of rod holders. Forward is the air conditioned bridge deck which is perfect for entertaining and provides great comfort at sea. The helm provides a great line of sight from the bow to the stern while controlling the easy to use Garmin electronics. Stepping down into the cabin, to port is a single stateroom with a queen bed, hanging locker, window, and flat screen television. Directly across, to starboard, is a full sized head with shower and medicine cabinet. All the way forward is a large dining area with a convertible berth. The galley, starboard, includes a refrigerator, freezer, microwave, sink, storage, and a hanging flatscreen television. From family fun to serious fishing, she will please all!

Cockpit

The 430 Express has a cockpit setup for any fishing application, whether it is trolling, live baiting, or bottom fishing.

- Transom Dive Door
- Above Deck 65 Gallon Livewell
