SPECIFICATIONS

Overview

Very Clean! 2008 29' Jupiter

Recently Painted hull

New Bolster pads

New Fusion stereo w/ JL speakers and Subwoofer

New White bottom paint (since pictures were taken)

Garmin Electronics- 5212 and 5208

Introduced in 2006, the Jupiter 29 (called the Jupiter 30 since 2012) is a top-tier tournament fishing boat for serious anglers with an eye for quality. Jupiter has been building quality fishing machines for years, and they are widely considered among the best in their class.

Built on an aggressive deep-V hull with a moderate 9'4" beam, a keel pad boosts both performance and fuel efficiency. Standard features include a bait prep center with tackle storage, 45-gallon livewell, forward seating with storage under, in-deck 120-gallon fish box, walk-in console with marine head, transom door, fresh/raw-water washdowns, anchor locker, cockpit bolsters, in-deck dry storage, lockable rod storage, and gunnel rod holders (4).

With 285 gallons of fuel capacity, the Jupiter 29/30 has the range to roam far offshore and stay for awhile. No lightweight, twin Yamaha 250hp outboards reach close to 45 knots wide open.

Basic Information

Category: Center Console

Model Year: 2008

Year Built: 2008
