SPECIFICATIONS

Overview

The Donzi 38 ZF Cuddy has been designed to offer great looks, blistering performance, and unmatched versatility. Designed with thoughtful features throughout, this offshore speed machine performs equally well whether tournament fishing, cruising, entertaining, diving, or pursuing any other activity. The 38 ZF has been finished with upscale touches throughout. The sculpted, richly-padded drop-down bolster seats at the helm would be right at home on the sportiest high performance boat. The same goes for the wraparound cockpit coaming bolsters. There's room to stand inside the roomy console with fiberglass inner liner, where a freshwater sink, shower, and head are housed. A curved, tempered-glass console windshield offers great looks as well as protection from the wind. With its proven ventilated hull design and triple Mercury 4-stroke Verado outboards, the 38 ZF offers great speed, nimble handling and a smooth, dry ride. All reasonable offers and exotic cars for trade will be considered.

Basic Information

Category: Center Console
