SPECIFICATIONS

Overview

This 1005 Intrepid Walkaround was re-powered in 2006 with twin Yamaha 300 HPDI's and has only 360hours on them. This boat was mainly used for taking the owner for sunset cruises and to dockside restaurants around Miami. It has had very light non abusive use. The seating area in front of the center console makes this an excellent family boat while still leaving plenty of room for fishing in the cockpit. The boat has two 6 foot fish boxes and a 35 gallon livewell. The enclosed head also features a shower, and the cabin comes with v-berths as well as a mini-galley and overhead rod storage. This boat is in excellent condition.
