SPECIFICATIONS

Overview

The 2740 features 27 feet of open boat space with a full stand-up head in the port hull. There is seating for six under the standard hardtop, four more in the box area and two aft with the optional flip-out seats. When you are entertaining that big crew, you'll have 600-quarts of insulated ice box storage built in. So, there are plenty of supplies for a big picnic around the Corian topped entertainment center with built in sink. SMOOTH RIDE of twin hulls this 2011 Glacier Bay 2740

As you board this 2011 Glacier Bay 2740, you will quickly see why this is a "world class" vessel. Boarding through the transom step platform you will find the deck to be open and inviting for a variety of activities but one quickly recognizes this Glacier Bay holds fast to the legacy and is tricked out for fishing. Although the boat has it all; fishing is its pleasure!

The 2740 features 27 feet of open boat space with full stand up head in the port side hull. A comfortable cushioned L-shaped seating for six under the Hardtop with cushioned seating up on the bow for four more and flip down seating in the transom for an additional two passengers. There is 600 quart built in insulated ice-storage and a Corian topped wet bar and with the full surround sound audio system, makes entertaining onboard a great experience!

Manufacturer Provided Description The 2740 Dual Console has more cruising amenities, more room at the helm, a complete redesign of the forward bow section, and more modern lines. The forward seating is built-in to allow better seating ergonomics. More space (length and width) was added to the helm area for more comfortable wrap-around seating and improved access to the bow and stern. Many owners will enjoy the twin-helm seat with flip-up bolsters as well as the optional cockpit lounge seating.
