SPECIFICATIONS

Overview

"Harmony" features 6 berths in 3 staterooms, 2 heads and a very spacious salon and pilothouse. This 1972 Canoe Cove was completely overhauled by her owners in 2004 and is powered by twin Caterpillar 3208 engines.

- Beautiful teak woodwork is found throughout the interior
- Good all around visibility from pilot house
- Comfortable and spacious salon with plenty of seating and conversation space
- Large cockpit with plenty of room for fishing
- Awlgrip painted hull
- Swim step for ease of entry
- Quiet engine operation while underway

"Superbly constructed by Canoe Cove Manufacturing LTD, one of Canada's most experienced and respected long-range power vessel builders. Canoe Cove's semi-custom quality and attention to detail hallmarks what knowledgeable regional boaters seek out for their 'long range cruising' boat. This mold was originally developed for the Royal Canadian Mounted Police and Canadian Department of National Defense as shore / patrol boats - the hulls are tough and well tested - making them even better as long range cruisers."
