SPECIFICATIONS

Overview

With this yacht Riva has reinterpreted the concept of an open yacht characterized by a typical Mediterranean style while preserving the unmistakable elegance of the entire range: class, charm and a sober look. Designed with an eye to the outer lines of the Vertigo - a very successful classical model in Riva's range - the 63' Virtus also draws inspiration from the Rivale's strong personality, while also ensuring more spacious areas that guarantee excellent livability and total onboard comfort. This last-generation open craft has been conceived as a sporty yacht, created for an Owner that wants to experience the sea first-hand.
