Overview

2013 38' Shannon High Power Sailor

WaWa is a 2013 38' Shannon 38 HPS (High Power Sailer). She is not a traditional motorsailer, but a bold departure from conventional sailboats. The 38 HPS combines all the patented Shoalsailer features like sailing to windward in 36 inches of water with the powering speed of 12 knots made possible by SRD technology. She also offers both pilothouse and cockpit helms, bow and stern thrusters, 165 hp auxiliary, 6 kW Northern Lights generator, Espar diesel heater, modern electronics that include an AIS transponder and a beautiful, uncluttered interior. Price reduced!
