## Overview

---

Virtual Tour: This is the finest example of a 68' West Bay Sonship. Her beautiful styling, exceptional performance, and enormous volume make her one of the most capable mid-sized yachts on the market today. Her 20' beam provides superior accommodations equal to many larger models. Her desirable layout provides a full width master suite, full width VIP stateroom, and a third double stateroom. Aft of the engine room is a fourth stateroom or perfectly situated crew's quarters. She is powered by reliable MTU engines which provide a comfortable speed in excess of 20 knots and a maximum speed of 30 knots. She also runs beautifully and very efficiently at 8 to 10 knots. The Naiad stabilizers make for a very comfortable ride even in large seas. Her bow and stern thrusters, coupled with excellent visibility from the flybridge, pilothouse, and stern docking stations, makes maneuvering in tight quarters a breeze. Wide safe side decks ease the task of line handling.

## Basic Information

---

**Category:** Motor Yacht

- Nautica 14' dinghy with Yamaha 60 hp
- Honda 250 cc on & off road 2014 stored with custom chocks on the boat deck

## Broker Comments

---

**ALTIITUDE ADJUSTMENT** is a manageable boat for the cruising family. She has served the three owners well (first owner only 6-months).

- The beam provides accommodations similar to 80' yachts.
- Separate entrance for crew provides privacy at all hours for crew and guests
- Towing a 24' Sea Hunt is easy for the MTU's
- Speed, range, owner operator friendly, the perfect boat to jump from coastal cruiser to the Caribbean adventurer

## Exclusions

---

Owner's personal belongings.
