SPECIFICATIONS

Overview

A new benchmark in performance, a true leader for the future, powered by twin 600 Cummins and Zeus drives, the 42 will outperform any vessel in its class in maneuverability, fuel burn state of the art construction methods, including it's one piece fiberglass molded deckhouse and windshield. Two spacious staterooms in 42 feet. No upper and lower bunks with limited space as you would find in most 42' open boats. Twin side by side berths aft, night table storage with full 6'3 stand up headroom. Raked stem and sharp bow entry give way to a very dry soft riding express. Dual visibility to cockpit along with a bow with sleek and stylish centerline walkaround helm. There is excellent storage below command deck bench seating, and 4 options for refrigerated drink boxes and freezers. Large fore and aft insulated fishboxes and more than ample transom fishbox/livewell. Super Easy remote control lift up access to the engine room via the hydraulic lift on the mezzanine.....no need to lift the entire command deck.

Two forward-facing helm chairs on the command deck with Captain's chair. The ability to chase fish in any direction at ease and quickly is must see for the most "prestigious" captain or anglers alike. Can't beat the 46 GPH fuel burn at nearly 31 knots, and smoke free exhaust. This 42 is a must see and a must ride.

Basic Information

Category: Sport Fisherman

Sub Category: Open

Model Year: 2012

Year Built: 2012

Country: United States

Dimensions

LOA: 42' 0" (12.80m)
