SPECIFICATIONS

Overview

The performance-sloop **"TAJO"** was built between 1998 and 2004 in perfection by her experienced owner to the plans of Judel/Vrolijk & co.

The owner desired a yacht which could be handled without any crew even on long term cruises. Her exterior was designed to be very stylish and clean, combined with a modern hull shape, rig and technical equipment. The deck layout offers a raised saloon, a closed cockpit with U-bench and double steering position beside the companionway.

"TAJO" offers a hydraulic lifting keel, a carbon rig with park-avenue boom and Magic Trim as well as a hydraulic system for different purposes on board.

The vessel is in mint condition and ready for a visit!

Basic Information

Category: Cruising Sailboat

Sub Category: Deck Saloon
