## Broker's Comments

---

Built in Norway, the great design, versatility and blistering performance of the Hydrolift S-24 makes this boating experience immense fun.

If you are looking for exquisite detailing, high quality and great driving experience at sea, the S-24 series is your answer. Praised by the international press for its design and performance, the Hydrolift S-24 has all the attributes, attitudes and driving qualities of a luxury sports car. Its unique combination of open pleasure boat and high-performance sports boat makes it perfect for a wide range of activities, from open water cruising to full action water sports.

This S-24 has one of the preferred engine options (MerCruiser 6.2 320hp petrol engine) for high performance boating, she boasts a high specification and has been kept in immaculate condition. You feel very safe when in the cockpit with the high topsides with grab rails.

A perfect day boat for those with the “need for speed”, guaranteed to put a big smile on your face. Must be viewed to be appreciated!
