# SPECIFICATIONS

---

## Overview

---

BESAME is an extraordinary vessel in many ways. From her pedigree design; her heavy-duty fiberglass construction to her hardwood cherry interior; these are but a few of the features. If you read through the specifications carefully, you will find that there are hundreds of thousands of dollars in equipment and features that you will not find on an ordinary yacht. She just completed her annual maintenance program at the yard in Kalama with all the equipment and systems being serviced and upgraded. BESAME is totally ready for local cruising or heading south for the winter. She is the most economic boat in her class on the market using only 24 gallons an hour at 12 knots!! Owner is anxious to sell as he already has drawings completed for a NorthStar 107 Trideck.
