SPECIFICATIONS

Overview

Reasonably priced Catamaran - with ALL the wanted features:

Air Conditioning (Complete Interior)

Well equipped - ready to move aboard and cruise

4 cabins - 2 heads -

Rebuilt engines - Solar Panels - Anchor windlass - Electric winch - Underwater lights

Very large cockpit w/folding dining table & abundant seating

Huge foredeck with large tramps for relaxing forward

Galley "UP" convenient to cockpit

IN-BOOM Roller Furling Main, Roller furling Genoa - Easy to sail - all lines let aft

Bright and airy with lots of inside ventilation

This is for sure the largest, beamiest and most spacious 37 cat on the market. Her large galley up is actually functional - which is a far stretch from most of the other galley-up 38 footers.

Probably the most spacious cat for her size with an excellent turn of speed she is designed to be sailed single-handed with all lines lead aft. She is self sufficient with regard to power with no need for expensive marina fees.

VESSEL WALK THROUGH

Both starboard and port Hulls are mirrored with forward and aft cabins and with heads midship.

Starting forward in the Hulls are the double forward cabins with fans. There is an upper shelved unit outboard, along with a single seat aft of the bed that can be used for storage. There are also hanging lockers aft outboard of the bed.

Moving aft in the Hulls are the heads located midship. In the head, the toilet is forward facing aft followed by the sink basin aft. Both heads are equipped with showers.

Furthest aft in the Hulls are the mirrored aft cabins. These double cabins also have hanging lockers situated forward of the bed. Fans and reading lights are present in each cabin.

Up the steps of each Hull is the main salon equipped with a dining area, chart table and galley. To is an additional storage cupboard with a work surface above which shares the settee of the L shaped dining area to starboard. The cushioned settee surrounding the V-shaped wood table in salon was recovered (2009).

Aft to port is the U shaped galley with work space forward followed by the double sinks facing several cubbies above the sinks for additional storage for galley equipment.

Opposite the galley to starboard is the navigation station, complete with navigation and communication instruments. Below the chart table is the fridge/freezer unit

SALON and GALLEY

SALON : Salon is bright and airy with large windows forward and to the sides. There is also window area and opening glass door aft in the Salon.
