ACCOMMODATIONS

GENERAL

Once aboard Miss Michelle one immediately feels as if they are on a much larger yacht. Ocean Alexander has thoughtfully sized each area to maximize the overall functionality of this 90' yacht. Attention to detail is a key aspect in producing a world class motor yacht and Miss Michelle is just that. From hand selected burl inlays to custom dish pegging for fine china, this Ocean Alexander yacht far exceeds any expectations.

OWNER

The full beam owner's stateroom is located on the lower accommodations deck in the center of the yacht. Six large 36" portlights are installed on both the port and stbd side bringing in an abundance of natural light. The king size bed is located on centerline with large closets flanking on either side. The full beam His and Hers' head is thoughtfully

placed aft of the cabin acting as an added buffer between the cabin and engine room. The beautiful slab marble flooring is heated to provide a warming transition from the blush stateroom carpet.

GUESTS

There are three guest cabins located on the accommodations deck. The VIP is forward with a queen bed, while two identical twin cabins occupy the space forward of the Master. All three cabins have private heads complete with heated slab style marble flooring. Additionally, all cabins have full TV, DVD, and DIRECTV access.

CREW The crew area is located aft of the engine room on the lower accommodations deck. There is a crew lounge/galley to port and two separate cabins to stbd. A bunk room is forward while the captain's cabin, fitted with a queen bed, is aft. The two cabins share a large head with separate shower.

COMMENTS

Since purchased the owner has spared no expense in maintaining Miss Michelle to the highest yacht standard. Additionally, many upgrades have been made in recent months. Here is a brief list:

1. Teak decks installed on boat deck, side decks, and bow—Remaining teak sanded
2. New carpet throughout
3. New window treatments
4. New furniture throughout including large sofa in salon.
5. All new mattresses throughout
6. New bed lines, towels and soft goods
7. Dish pegging installed in all cabinets for china, cups and dishes
8. New appliances on aft deck (ref and Ice maker)
9. New cushions for both interior and exterior
10. New covers and runners
11. New air compressor
12. New navigation electronics and computer
13. New Audio visual remote system throughout

14. Bottom paint (Nov 2015)
15. 1000hour service completed on main engines @ 800 hours
16. VSAT installed
17. HDTV installed
18. New aft deck table with chairs
19. New sea-stair with teak steps and handrails
20. New shorepower transformers

- Exclusions include all of Owner's personal effects -
