SPECIFICATIONS

Overview

You just found the cleanest and best maintained Cape Cruiser 23 on the market! With her wide beam, C-Dory type hull, and Honda 135hp engine, she will plane quickly and cruise easily in the low 30's. And with a 13" draft, you can take her just about anywhere. She also has a double v-berth in the forward cabin and a two seat dinette in the saloon that converts to another berth. Other key selling points include:

- **Like New Full Camper Canvas Deck Enclosure With Screens**
- **Honda 135hp 4-Stroke Engine With 160 Hours**
- **Brand New 8,000 BTU Air Condition and Heater**
- **Full Electronics Including Navman Fuel Flow Meter**
- **Magic Tilt Aluminum Trailer With New Tires and Spare**
- **Well Maintained and Utilized Mostly in Fresh Water**

There are too many upgrades to list them all, and you can save thousands from a new model on this Cape Cruiser 23! Click on the photo tab and see how clean she really is. Then call the number below or reply via email to get on board. You won't be disappointed! Manufacturer Provided Description

This modern classic - with sweeping sheer line, lap strake topsides and clean, fair lines - will never go out of style. A pocket cruiser that blends the traditional with the new, thoughtfully proportioned, well appointed, and expertly crafted. The accommodating cabin provides year-round comfort while the roomy aft cockpit allows for a secure fishing platform. Above deck aluminum fuel tanks enable a range of hundreds of miles. The hull has a variable deadrise, designed for optimal performance in low to mid-speed range with top speed over thirty knots. It will get up on plane quickly and easily without wallowing. The sharp entry forward provides for a very solid, comfortable ride. At top speed it is a very ?dry? boat. The entire bottom of the hull is a laminate core that is an inch and a half thick. Core construction is also employed for all decks and cabin top. Laminates throughout the boat are hand-laid fiberglass, resulting in a superior glass fiber to resin ratio. All custom color graphics and non-skid surfaces are integral molded gel-coats.

Basic Information

Category: Cruiser

Sub Category: Downeast
