Overview

DISCOVER THE DREAMLINE DIFFERENCE DL Yachts, a European builder with facilities near Ancona, Italy, offers a range of luxurious custom motor yachts called DREAMLINE. Every yacht from 26 to 49 meters is designed and crafted to the wants and needs of each the individual owner. All motor yachts produced by DL Yachts are unique, having in common only the technology that makes them stand out in the market and heightens their qualities of comfort and safety.

What also makes the DREAMLINE range so distinctive is the character of its projects, each of which brings innovations that lead to new ways of conceiving the pleasure of cruising and onboard living. Under the leadership of CEO Paolo Bencivenni, many of the DREAMLINE innovations were developed by Engineer Peter Zuber. With his 35 years experience in the nautical sector, Peter is the inspiration behind the entire DREAMLINE Project philosophy. Naval Designer Enrico Gobbi and his design team bring DL Yachts new solutions, ideas and a fresh interpretation of luxury cruising and life at sea. Rigorous care over technical details, world-class quality materials and technological solutions to reduce operating costs.

This is your guarantee of greater reliability, higher performance and unprecedented standards of comfort. It's what makes a DREAMLINE a DREAMLINE.
