SPECIFICATIONS

Overview

This low hour vessel is in great condition and fully equipped with many of the comforts and options you would only come to expect in a much larger yacht. The modified V-hull has a 22 degree deadrise at the transom and a bow entry that slices through the waves as a larger vessel would, while you are ensconced in comfort in the cockpit or in her luxurious cabin. Below decks you'll find a tremendous amount of interior volume and the latest in modern designs with beautiful fabrics, lighting, hardware, faucets and switches. Enjoy a spacious full galley complete with a full size refrigerator. There are two flat screen TV's with a Direct TV satellite dish. At the helm you will find a double wide helm seat, an upgraded Raymarine Chartplotter with 12 in screen and newer Digital Radar. This boat has been professionally maintained and serviced including recent new risers and manifolds. Enjoy a night or even a week on this beautiful and very roomy boat. She is turn-key and ready for her next owner!

Model: 8.1S

DETAILED INFORMATION

Vessel Walk Through

The Larson 370 Cabrio's hull construction is solid fiberglass; fit and finish is very good and space is utilized above par compared to most of her competition. One commodity that boaters like the most about this model is the separate shower stall and full size refrigerator. She has a well-designed cockpit and a high end spacious interior. Her midcabin floorplan has berths for six, an uncrowded galley, and a double-entry head compartment. A solid door separates the master stateroom from the salon. Below decks you'll find the latest in modern designs with beautiful fabrics, lighting, hardware, faucets and switches. Attractive cherrywood laminates are applied liberally throughout the interior. This boat is fully loaded with Heat/Air, 7.3kW Generator, VHF, GPS Chartplotter, Radar, Autopilot, Vacu-flush Toilet, Windlass, Spotlight, Stereo, with Satellite TV and more.

Accommodations

The Cabrio 370 is the flagship of Larson's line of cruisers and she sets herself apart from the rest of the family with sleek styling and a low profile, European silhouette. The boat is based on a wide, deep V-hull that has 22 degrees of deadrise at the transom, providing a solid ride in rough water and a very spacious cabin and cockpit.

- Sea King Satellite TV
- (2) Flat screen TVs, DVD player and a Clarion stereo system
- Head with separate shower stall and 2 privacy entrances from cabin or main berth
- Galley equipped with Corian countertops, upgraded upholstery, leather-like dinette
