## Overview

---

*Petrus II's* Zuretti-designed contemporary interior has been finished in a mixture of honey-toned woods and materials that are enhanced by large windows that allow natural light to stream in.

Forward of the main deck is a full beam master suite that comes complete with a full beam ensuite and a balcony that extends out over the water. A spacious open plan main saloon/dining room leads out onto the aft deck through double sliding glass doors, where a large seating area offers an ideal spot to relax.

Symmetrical steps lead down to the bathing platform where a myriad of water toys are easily accessible through the lazarette. On this deck is the remaining accommodation, with two double VIP staterooms and two twin cabins.

*Petrus II* boasts an inviting full beam sky lounge and a bar on the upper level of the yacht. Her upper aft deck is a sociable space both in the day and in the evening, with sun loungers, an al fresco dining table for 10 guests and an additional comfortable seating area. The bow hosts an additional exterior saloon with a Jacuzzi, seating area with table and sunpads, creating an additional lounging retreat for guests.

The generous sun deck boasts another Jacuzzi with further sun loungers for those who wish to catch some rays. When the sun descends, guests can take in the 360-degree panoramic view whilst enjoying cocktails at the bar followed by an al fresco meal.
