## Overview

---

### "SERENITY, TOO" HAS BEEN SHED-KEPT IN FRESH WATER ON THE UPPER CHESAPEAKE BAY FOR THE PAST 11 YEARS!!

"SERENITY, TOO" is a spacious 45-footer whose full-width salon is made possible by Silverton's unique SideWalk deck plan. Instead of traditional side-decks, the 453 has a set of molded steps on either side of the flybridge that lead down to the sides of the boat. Not only does this allow for a huge salon, but it also makes moving around the outside much safer. Below decks the 453's spacious three stateroom floorplan is arranged with the galley and dinette forward, two steps up from the salon level. Notably, the midships VIP stateroom is as large as the owner's aft Stateroom. A starboard-side salon door provides convenient access to the foredeck and molded steps lead from the aft deck up to the flybridge and down to the swim platform.

**Electronics:** Garmin 5208 GPS, Furuno 1850D GPS, Furuno 36 Mile Radar, B&G Network Quad Digital Depth, Speed & Temp, Bennett Trim Tab Indicator, Raymarine ST6001 Auto Pilot, Standard VHF Radio, Stern Mounted Back-Up Camera, ACR Searchlight URP-102, Sony AM/FM/CD Stereo On Bridge.
