SPECIFICATIONS

Overview

Cowboy is undoubtedly the newest and best equipped 66 Viking to come on the market. A beautiful custom decor is matched by build specs that include every conceivable option and upgrade including Caterpillar's Cat360 control system, Day head and Seakeeper 26 Gyro. Cowboy has the max fuel capacity, \$230,000 worth of state of the art electronics, custom rod storage, complete teak package, customized Palm Beach Tower and Release Trillion Chairs.

Just out of the Galati yard with services complete including bottom and engine services. Cowboy is absolutely show ready and will impress the most discriminating buyer in her condition and specifications.
