SPECIFICATIONS

Overview

Exceptional Horizon 82

\$200,000 of Recent Upgrades (2014-2016)

Carol Ann a Horizon 82 is an excellent example of a very well equipped and maintained luxury motor yacht. She is an open bridge model with a custom hardtop and many recent upgrades. The bridge can be fully enclosed and air conditioned. New electronics, interior upholstery, new galley appliances, new 1500lb davit, new Carella center console tender, 9 new TV's and 3 custom bars (salon w/ lift, aft deck and bridge) have been added in recent years.

Carol Ann was recently hauled and had bottom repainted, shafts serviced and new props installed. Carol Ann has been captain maintained and is currently fully commissioned and available for Summer cruising.

DETAILED INFORMATION

Interior Arrangement

Starting forward on the main deck is the full beam aft deck with settee, large dining table, wet bar and port and starboard stairs to the swim platform. Next entering Carol Ann's main salon one is greeted by the warm, inviting atmosphere created by a combination of piano finished high gloss cherry wood cabinetry with camphor burl inlays and trim. The use of rich textured fabrics, wall coverings and carpeting with indirect halogen lighting further enhance the ambiance of the room. Forward and two steps up from the salon is the country kitchen with gourmet galley, dining area and powder room/ day head. Port and starboard aircraft style side entry doors are located between the galley and dinette. Immediately to starboard is a curved stairwell leading up to the flybridge/helm. Another stairwell forward to starboard leads down to the full beam master stateroom with his and hers baths, VIP guest stateroom and twin guest stateroom both with en suite heads. The captain and crew staterooms, utility room is aft of the engine room, on the lower decks accessed from the interior via a stairwell on the port side aft in the main salon or through the swim platform door.

Salon

The spacious main salon is accessed directly from the aft deck through a stainless steel framed glass sliding door. To starboard is the recently reupholstered comfortable "L" shaped settee, custom cherry wood cabinetry with a side table and wide custom wet bar that retracts when not in use. On the port side of the salon is an entertainment center that features a 42" plasma screen TV monitor (2015) and a remote controlled electric lift which disappears into the cabinetry. In addition, state of the art audio components offer six channel Dolby Digital home theater surround sound. Forward of the settee and entertainment center console are two upholstered chairs each with an ottoman and an additional table. A variety of lighting which allows different options to create many different moods, from subtle ambiance to day-bright reading light. Custom blinds and drapes behind cherry wood frames control privacy and light.

Galley

Spacious "country kitchen" style galley with excellent storage located forward of the salon with granite counter tops, all new appliances and varnished teak cabin sole with holly inlay. Open configuration includes a wide U-shaped settee at the forward end. Includes leather upholstery's with hide away leather top stools. 10" LCD thin screen TV on a swivel bracket is mounted under the overhead galley cabinets making it visible from the dining table or galley. All appliances new in 2015 (except microwave & trash

compactor)

- GE Profile Oven
- GE Profile dishwasher
- GE Profile microwave
- Sub Zero two door refrigerator/freezer
- Broan compactor
- Teak & Holly sole

Master Stateroom

Full beam master stateroom with a king size centerline berth with storage beneath. Built in nightstands flank the bed on either side. On the starboard side is a built in upholstered seat and additional dresser. The aft bulkhead of the stateroom is mirrored in sunburst pattern lending to the feeling of spaciousness. Masterful joiner work with curved cherry wood doors open to his and her closets. 24" HD TV (2015) and VCR and stereo system are built in above the TV cabinet.

On either side of the berth are entry doors to his and her baths, baths separated by an over sized Jacuzzi tub with shower. Travertine marble floors and counters, Jadco fixtures, Head hunter heads and high gloss cherry/camphor wood trim.

VIP Stateroom

Impressive VIP guest stateroom located forward. Features include a queen size centerline berth with storage below, 2 hanging lockers, HD TV with built in VCR and an AM/FM stereo. The bulkhead is mirrored in a sunburst pattern similar to the master. Built-in night stands are on either side of the berth. The en suite bath includes an oversize stall shower, Headhunter head, Jadco fixtures and Travertine marble floors and counters.

Guest Stateroom

The guest stateroom has twin berths separated by a built-in night stand with storage drawers below. Possible option to slide 2 berths together to provide an additional double. A 10" flat screen TV is built-in overhead. A bath with stall shower, Travertine marble floors and counters, Vacuflush head and Grohe fixtures en suite.

Captain & Crew Quarters

Captain Quarters:

Comfortable aft crew quarters with captain's cabin with double berth with custom innerspring mattress. Built-in night stand with drawers below, adjustable halogen reading light and hanging locker. A 13" TV (2013) is built into the overhead.

Guest/Crew Quarters:

Crew cabin with upper and lower berths. The upper berth is hinged and swings down to convert to a lounge. A 32" high built-in chest of drawers serves as a night stand and has a pull out desk top extension. A 13" TV (2013) is built into the over head. The crew's cabin and captains cabin are both finished in high cherry & camphor with the same attention to detail as is found throughout.

Aft of the crew's cabin on the port side is the utility/storage room with abundant storage cabinets built-in over head and below. Sub Zero freezer and refrigerator, one double storage closet plus additional closet. To starboard, aft is a concealed 2 burner cook top and utility sink and built in wine cooler. The floor and gangways aft are covered in marine blue Pirelli rubber tiles. Stacked washer and dryer added (2015).

Fly Bridge

Forward of the salon to starboard is a stairway leading to the flybridge. This area is divided into three sections. The forward third is dedicated to the helm station with 2 new Stidd helm chairs (2015) and a stainless steel destroyer style wheel. 3 new forward overhead hatches on bridge above the helm station provides additional light and ventilation. The electronics array of gauges and controls are wall placed. Flush mounted electronics are mounted on a new face panel with drawing of Carol Ann with location lights for equipment. Aft of the helm to starboard with a built in banquet with seating for 6. Across & aft of the helm to port is a built in wet bar with refrigerator and icemaker. Just aft on the port side is a built in love seat for 2. The aft end of the flybridge to starboard is a built in cabinet containing a an ob-deck built in freezer and work space. To port is a storage cabinet for glasses etc. Further aft is a new 2015 1500lb Nautical Structures davit. The entire flybridge is enclosed with EZ2CY and is air conditioned and heated with 24,000 BTU's. The flybridge also has a TV (2013). Custom grill station with gas infra-red grill, 3 stainless steel drawers and stainless steel cabinet door.
