- Cockpit Table
- Cockpit Cushions
- Swimming Ladder

Covers:

- Bimini Top - with Full Camper canvas Helm/Cockpit enclosure

Power Boat Guide Says...

An appealing weekend retreat, proof that good boats don't have to cost a fortune. Many features- anchor windlass, generator, air conditioning, etc. that are options on other boats, are standard equipment here. Updated in 2000, the cabin floor was lowered and the foredeck was raised, resulting in increased cabin headroom. Changes in 2002 included a revised floorplan, extended swim platform, increased fuel capacity. Note, walkthrough windshield and electric engine hatch.

Engine and Generator Service

Powered by the Optional 5.7 OSXI Volvo Penta inboard/outboard engines. These engines have closed loop cooling, with fresh water flushing attachments, as well as a Neutra-Salt engine flushing system.

The engines have been fully serviced, new risers and manifolds, new water pump impellers, fresh oil changes every season. She has seen light usage, but careful and attentive service.

The original Composite stern drives have been replaced with the best Volvo-Penta duo prop drives available.

The 5kw Kohler generator is mounted within a sound shield for quiet operation. The generator has 180 hrs of run time, and also gets serviced annually.

Vessel Walkthrough

Starting with the Extended Swim platform, there is a fold out swim ladder, and a cushioned seat for comfortable seating while on the swim platform. There is a stbd side transom door that opens to allow for easy access into the cockpit, with a hot/cold transom shower and a stereo remote are conveniently located close by

There is TONS of seating, upholstery is in very good condition. The full Camper canvas has a full fiberglass enclosure, including a screen for the back.

The cockpit wet bar is Very Impressive, with a refrigerator, Ice Maker, storage, plus a built in Electric Blender, all with a Corian countertop. Courtesy lights and a Sony sound system with Subwoofer enhance the Entertaining-ability.

The double wide helm seat is raised up one step for excellent visibility while underway. She is nicely equipped for Navigation with a RayMarine multi-function display, Lenco trim tabs, digital depth gauge, remote spotlight, stereo remote and helm controls for the anchor windlass.

A Lockable cabin door slides open to reveal a surprisingly nice lower cabin with sculpted carpet and excellent headroom. Three overhead hatches with shade/screen allow for

natural light and ventilation when desired. A large U-shaped dinette (that converts into a sleeper) along the stbd side, a well equipped galley along the port side.

The master berth is forward with storage beneath (including a built-in Safe for your valuables) and closet space on the sides. There is also a TV/DVD player, Sony AM/FM/Sat Stereo/ with 6 disk CD changer. The guest berth is located in the mid-cabin space with comfortable seating that converts into sleep space. In general, there is a generous amount of storage room in the cabin.

The enclosed head and shower is also quite roomy. A 'real' shower door, not a curtain separates the shower space from the vanity, sink, and toilet.
