DETAILED INFORMATION

47' Meridian Sedan Bridge 441 Motor Yacht

Do not miss this LIKE NEW 47' Meridian Sedan Bridge 441 Motor Yacht with air-conditioned bridge. This Meridian Sedan is LOADED with every option possible including the original warranty plus a transferable six year extended Passport Premier Warranty covering every item on the boat. WHY IN THE WORLD WOULD YOU BUY NEW??? The owner is moving into a much larger vessel.

47' Meridian Sedan Bridge 441 Motor Yacht

In designing the new 441 Sedan, Meridian's team of naval architects developed a new hull, deck, bridge and shearline. This all new design features a more aggressive profile and new hull-side windows for the guest stateroom, easier bridge access, better topside accommodations, and more natural light and woodwork in its interior living spaces. The 441's wide-open floor plan ensures smooth flow and unbroken lines of sight between the salon, the yacht's dedicated dinette and the full-service galley. What's more, Meridian has further enhanced its signature integrated two-tier window system to ensure improved visibility from all these interior areas. A lower helm station is available. Plus the 441's impressive two-stateroom, two-head layout provides a gracious master suite, located forward with a queen-size island berth with innerspring pillowtop mattress. The spacious amidship guest stateroom, which spans the yacht's beam, features a double berth, thoughtfully appointed vanity and settee and plenty of storage.
