Overview

80 MPH+

Whipple Superchargers

Fresh Water Kept and Indoor Storage During Winter

Less than 100 Hours

The Formula 353 FASTECH is a serious powerhouse that delivers a confident and comfortable ride even through choppy seas thanks to her stepped bottom hull and deep-V bottom. Quality control is excellent, and every component is heavy duty and built to take the abuse that offshore power boating has to offer.

Below deck, you will find comfortable accommodations for spending a short trip aboard. There is room enough for four people. Two can bunk in the double V-berth and two more can sleep on the bench seats, which convert into a berth with the hi-low table and filler cushion. The interior décor of the cabin is subtle yet sophisticated. The super plush UltraLeather upholstery feels soft and inviting. Your guests will enjoy the amenities in the cabin too, like the private head to starboard and the refrigerator and pressurized, fresh water sink located to port.

Basic Information
