Engines: 1

Manufacturer: Mercruiser

Model: 5.0 MPI Bravo 3

Engine Type: I/O

Fuel Type: Gas

DETAILED INFORMATION

Manufactures Provided Description

The 240 Sundancer is a grand first step into Sea Ray's world-renowned family of raised helm, mid-cabin stateroom designed cruisers. The ingenious cabin layout encompasses plentiful storage, gorgeous maple or plum Nevamar wood cabinetry and four color-coordinated fabric design package choices. Outside, the functional cockpit is designed for versatility and entertainment for fun while docked or underway. At first glance she may appear as a large-scale cruiser, but she's still trailerable with an 8' 6" beam.
