LOA: 60' 11" (18.57m)

Beam: 18' 2" (5.54m)

Min Draft: 4' 6" (1.37m)

Speed, Capacities and Weight

Displacement: 87700 Pounds

Water Capacity: 250 Gallons

Holding Tank: 100 Gallons

Fuel Capacity: 1200 Gallons

Accommodations

Total Cabins: 3

Total Berths: 3

Sleeps: 5

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Semi-Displacement

Hull Color: White

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C18

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer provided description

A well-considered cruising yacht needs two things: exceptional range and an interior that will keep owners and guests happy for as long as they stay aboard. Our Hatteras 60 Motor Yacht has an extended hull that results in more wetted surface for greater speed and fuel economy - plus it has an extra large fuel tank capacity from making longer runs with less stops. In true Hatteras fashion, this passage-maker is not only practical but also customizable, with several different design options inside and out. The standard lower deck arrangement features a three-stateroom, two-head layout that places a full-beam master suite amidships, a VIP berth forward, and guest bunks to port. Experience the Hatteras 60 Motor Yacht and discover why she is like no other "entry-level" cruising vessel around.

Salon

- Custom African mahogany hardwood cabinets
- Custom décor - salon sofa with lamps & end table
- Custom dual swivel chairs
- Custom salon/ dinette throw pillows
- Custom carpet runner salon
