Fuel Type: Diesel

DETAILED INFORMATION

Vessel Information

The 46 Bertram is a true classic and at the time a benchmark for others to strive for and this particular fishing machine is priced to go! She features **a full paint job by Jones Boat Yard in completed in 2014 and full rebuilds in 2004-2005 with about 400 hours since.** She is aggressively seeking a new owner and offers are encouraged. The owner wants this to be the next 46 Bertram sold!

Accommodations

There are two large, comfortable staterooms, each with separate head and stall shower, offering modern accommodations for four with an island queen in the forward master and stacked single berths for the guests. Entering from the cockpit, the expansive salon offers light Teak hardwoods, refreshed with new carpeting, blinds and curtains.

The forward salon windows allow for excellent visibility and lots of natural light. The L-shaped settee is to port with barrel chairs opposite; a built-in entertainment center is forward to port with TV/VCR and Surround Sound stereo (each with remote), and the starboard aft corner has a custom cabinet which houses the ice maker and liquor storage.

The galley is down on the starboard side, appointed in all-white with oak accents and plenty of storage including a pantry. The apartment size washer/dryer is opposite the galley.

Across to port is the guest cabin with upper and lower berths and en-suite head with shower. The master stateroom forward has a center-line queen with private head and shower off the starboard side. Galley
