SPECIFICATIONS

Overview

Sunseeker Predator 82 - 2006 - rarely is it possible to find a yacht from 2006 which has had only one owner from new, has very few engine hours and is capable of speeds in excess of 45 knots! This immaculate four cabin sports yacht has been meticulously maintained by the same crew since it was new. VAT paid and loaded with extras and at a very sensible asking price. Equipped with the twin 2,400hp MTUs. This is a real opportunity to buy a very good example of this fine Motor Yacht. With one very careful owner from new this boat is in a very good condition.
