SPECIFICATIONS

Overview

M/Y ACHILLES is hull #4 of the famous Sanlorenzo 46STEEL series, built in 2012 to the highest standards and quality. She is an impressive and reliable yacht in immaculate condition offering a very spacious interior with warm colours, cosy and modern design.

Her exterior deck space is amazingly large for a yacht under 50m and offers many comfortable sunbathing and lounging areas, along with a 12 guest table and a Jacuzzi on the sundeck.

Her steel hull and the quality of the construction at the Sanlorenzo shipyard make her one of the most stable, seaworthy and also silent and vibration free yacht of her size.

Her 2 Caterpillar 3512C High Displacement are extremely performant and economical and allow the yacht to a 17 Knots top speed while having a range of 4,800Ntm at 12 Knots.

Her Quantum Zero Speed stabilizers guarantee her the best comfort anywhere on board, whether cruising or at anchor.

M/Y ACHILLES can accommodate 11 guests in 5 spacious luxury cabins, including a full beam master on the main deck, three large double cabins and a twin located on the lower deck.

The twin cabin is equipped with a Pullman bed and can berth 3 guests. All 5 cabins have their own luxury bathrooms and the master offers a walk-in dressing room and an owner's study.
