DETAILED INFORMATION

Introduction

The pioneer of the pleasure-tug industry, Nordic Tugs has offered the discerning cruiser high-quality yachts for more than a quarter century. Handcrafted in the United States of America. Nordic Tugs undergo extensive quality assurance checks and every boat is taken through a full day sea trial to ensure a quality finished product is delivered to each customer. Every Nordic tug backed by our exclusive gold standard warranty, which provides one year stem to stern coverage and warrants the hull for a full 10 years against both structural failure and osmotic blistering. Distinctive styling, quality construction and legendary sea keeping abilities have made Nordic Tugs a modern cruising classic. Few trawler style yachts available today can match up to the Nordic tug 26, with its remarkable seaworthiness, rugged construction and long list of thoughtful interior and exterior features developed with the cruising boater in mind.
