SPECIFICATIONS

Overview

CHRISTINE MARIE represents a fine 52' Viking featuring a two-stateroom, two-head layout. As you walk forward and enter the helm station, a spacious, air-conditioned area surrounds you with an abundance of space for entertaining. From there, you enter the salon door on the starboard side and are introduced to the gracious salon area and galley. The master stateroom is forward with a centerline queen berth and en-suite head. The guest stateroom is located to port and features overhead bunks. The spacious galley is located to starboard and has upgraded stainless steel Sub Zero refrigerated drawers.

- Dual Emergency Back-up driven pumps
- Sea Star Hydraulic Steering
- Batteries with Boxes (port and starboard)
- Dual Power Steering Pumps

Comments

This 52 Viking Express offers the best of both express configurations for lay-out of the

helm and bridge deck arrangement. Many owners find that the problem with the factory four-sided 52 Viking Express is that it features a fully teaked helm and seating area with a carpeted floor, which is not suited for sporting activities such as fishing and diving.

This vessel was built as a three-sided express boat, with a full fiberglass bridge deck and helm. The fourth side was then added to provide climate control at the helm, ensuring a quieter and more comfortable cruising atmosphere. When the fishing and diving takes place, just keep the door open to the aft deck and you have the best of both worlds.

Moving on to other family activities, the current owners have priced Christine Marie to sell. She is ready for her next adventure, having been fully serviced, and is ready to fish and explore. Please take a moment to consider this offering, as she is seriously for sale and ready to Show in Maryland.

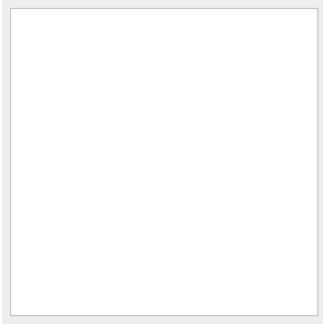

Exclusions

Owner's personal belongings.
